

We are so pleased that you are considering making a donation to
ShowMItheMoney!!

Every dollar really matters. Just getting our 2020 Michigan Transparency Amendment approved for the ballot will cost over \$700,000. Having to secure 500,000 voter signatures and supplying thousands of volunteers with necessary materials is an expensive undertaking. Addressing inevitable legal challenges from people who like things just as they are won't be cheap either!

So we really need your financial help!!

Because we are required to provide information on our donors to the Secretary of State (after all, we are fighting for transparency in our elections and political money) we need the following information from you:
